

YOUR BUSINESS NEEDS A TRUCK YOU CAN RELY ON

When you need a truck that gets the job done and is always ready for the next one, a truck that leaves worry behind, the International® DuraStar® is a no-brainer.

Because it's available with proven MaxxForce® 7, MaxxForce DT, or MaxxForce 9 power, you can choose the engine capability your business requires.

DuraStar comes with MaxxForce Advanced EGR, the only no-hassle, no liquid urea solution for 2010 emissions. The Diamond Logic® electrical system brings the brainpower, flexibility and convenience of advanced electronics to the truck's electrical system, making the vehicle easier to use and maintain.

DuraStar is a hard-working, versatile truck that will help you get the most out of your business.
